I shall be happy to see
you in Colbrook Row if you
would like to attend on either
occasion - I have written
to Mr Murray to enquire if
he would help in either of the
other tents & in case he had
not arranged his supplies for

My dear Sir

61 I understood that
you had Saturday to favour
me with your company at
my house, I should however
have been equally glad to
have seen you this day but
have since made other
engagements & shall hope for
the pleasure of your company
tomorrow - I shall not
personally attend the service
next Sunday at the Tent
having other engagements;
if the weather permits there
will be two services in the
Burying field, viz. at 3 in
the afternoon & 6 in the evening
